Catalans chase Everton striker

TARGET: Richarlison

BARCELONA like the look of Everton striker Richarlison.

The Brazilian has made a big impact at Goodison Park with 13 goals in 32 games this season.

He moved from Watford last summer and Everton would be looking for at least a £10m profit on the 21-year-old.

Barcelona are looking to add more goals to their frontline this summer with Lionel Messi getting older and rumours growing that Luis Suarez could leave the Nou Camp for one last big payday.

By JOHN ANTHONY

Richarlison is rated by Barcelona boss Ernesto Valverde who thinks he has a lot more improvement to come at his tender age.

He is a regular in the Brazil squad ahead of more illustrious players and would jump at the chance to join Barcelona.

That said, he is loving playing under Everton boss Marco Silva and believes his game is improving with every training session.

He said: "I feel I have been developing more and more.

"Marco Silva is always talking to me in training, he is always giving me guidance on positioning in the area. His coaching is essential for me.

"He's training me with an eye to being in the right place at the right time when balls come into the box, so I am able to score more goals."

In a more surprising move, it looks like Liverpool outcast Alberto Moreno will be moving to Barca at the end of the season.

His contract expires at the end of the season so is on a free.

'Strong action' call after racial abuse of England stars

DOWNING Street has urged European football's governing body to take "strong and swift action" after England stars were racially abused during their Euro 2020 qualifier against Montenegro.

England's 5-1 win in Podgorica was marred by vile abuse, with Danny Rose and Callum Hudson-Odoi subjected to monkey chants.

Raheem Sterling *(above)* celebrated the fifth goal by pulling his ears as a sign of defiance to what he later called on social media "racists".

UEFA has now charged Montenegro with racist behaviour.

Prime Minister Theresa May's official spokesman said: "The abuse England players were subjected to was disgusting and completely unacceptable.

"We urge UEFA to take strong and swift action."

Probe into hotel crush tragedy police response

THE initial police response to the incident at a County Tyrone hotel in which three teenagers died is to be investigated by the Police Ombudsman.

It has been revealed that the first officers who arrived at the scene of the tragedy withdrew to await support.

Morgan Barnard, 17, Lauren Bullock, 17, and Connor Currie, 16, died after a crush at the Greenvale Hotel in Cookstown on 17 March.

Hundreds of young people were queuing to get into the St Patrick's Day disco.

SPEEDBOAT KILLER 'COMING BACK TO UK'

SPEEDBOAT killer Jack Shepherd is to be sent back to the UK after agreeing to his extradition from Georgia.

The 31-year-old went on the run before his trial where he was found guilty of manslaughter following a speedboat crash on the River Thames which killed Charlotte Brown.

After months in hiding in the capital, Tbilisi, he handed himself into police and was jailed for three months.

Shepherd has been granted the right to appeal against his UK conviction.

Judge Arsen Kalatozishvili agreed to the extradition going ahead, following a hearing at Tbilisi City Court.

The court heard Shepherd's extradition order was based on both the manslaughter offence and a separate assault charge.

The second charge relates to an incident – shortly before Shepherd fled to Tbilisi – in Moretonhampstead, Devon, on March 16, 2018.

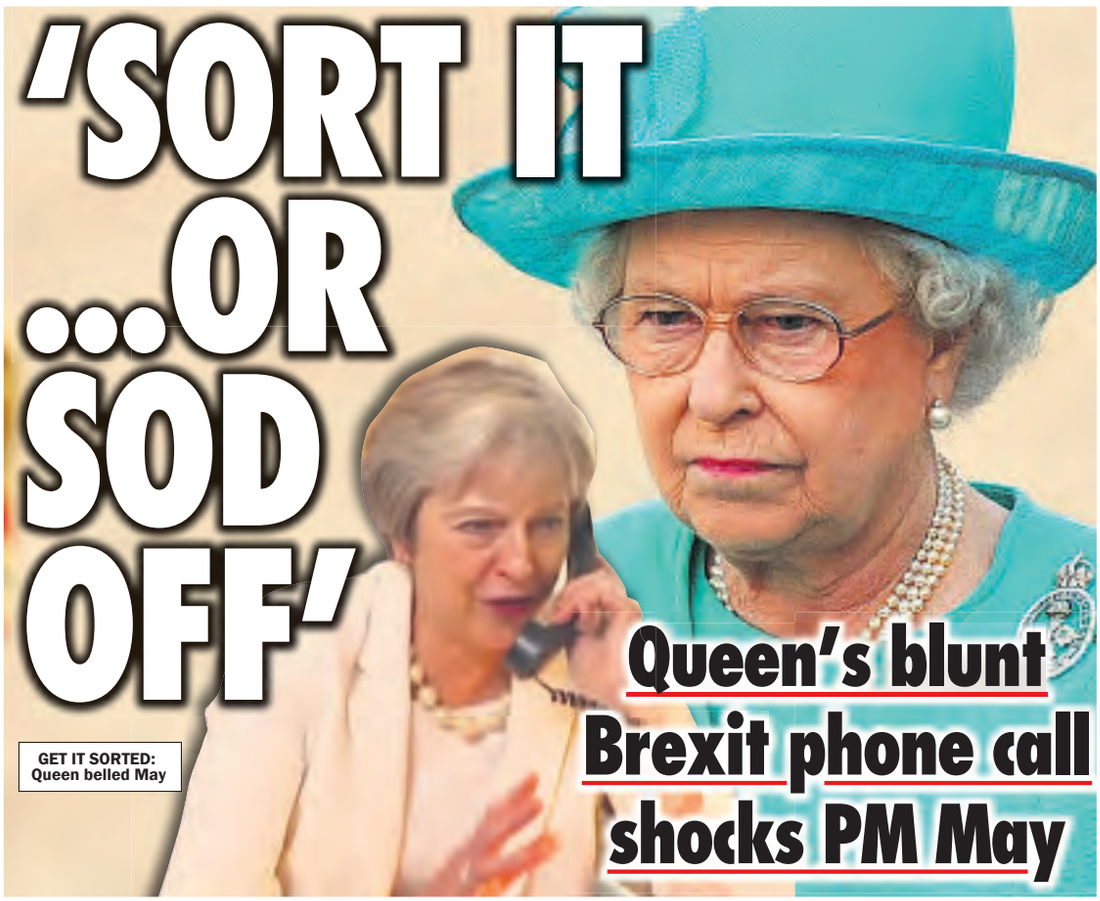

Shepherd is accused of causing grievous bodily harm with intent.

Defence lawyers said Shepherd agreed to be extradited, but only if his safety was taken into consideration by the judge.

Speaking before the hearing, his lawyer Mariam Kublashvili told Rustavi-2 TV that Shepherd feared for his safety in Britain.

She said: "Because of the attitude of the British media and public he truly does not feel himself to be human."

Queen's blunt Brexit phone call shocks PM May

THE Queen telephoned Theresa May yesterday and furiously told her: "Enough is enough"!

Insiders say Her Majesty is becoming increasingly frustrated at the Prime Minister's chaotic handling of the Brexit crisis and took the unprecedented step of reading Mrs May the riot act.

A Palace source said: "Her Majesty knows more about the politics business than any politician – she's been in this game since 1952, remember, and Winston Churchill was her first PM.

"In all that time – even during Suez – she cannot recall a government that is so utterly divided and inept.

"Finally the dam broke and the Queen called the Prime Minister.

"Constitutionally, she is perfectly entitled to do this but this is unprecedented.

"The Queen – who appoints the PM – told Theresa May to sort something out or make way for someone who can.

"The Queen would rather have Jeremy Corbyn in Number 10 than this continuing unrest of Brexit. She fears that unless the government gets a grip there may be rioting in the streets and her country could fall apart.

"No monarch wants that – especially one who has enjoyed such a long reign."

Narrowing

In other Brexit news, Health Secretary Matt Hancock yesterday said the options for Britain leaving the EU "are narrowing", after MPs voted to seize control of the parliamentary timetable.

The PM was dealt a fresh blow as the government was defeated by 27 votes on Monday, in a plan designed to find out the kind of deal MPs would support. And a group of 30 Conservative MPs rebelled, including three ministers.

Mr Hancock said that the government would listen to MPs but "can't pre-commit to following whatever they vote for".

He said that the Commons had rejected no deal and a second referendum and urged MPs to back the PM's Brexit deal.

There will be a series of so-called "indicative votes" in the Commons today as MPs try to work out a way forward.

EUROCRAT: BRITAIN IS REVOLTING

THE European Parliament's top Brexit official sparked outrage by applauding "revolt" in the UK.

Guy Verhofstadt (*left*) reckons that millions signing an online petition calling for Brexit to be scrapped and chaos in the House of Commons will lead to Britain's departure from the bloc being halted.

The bespectacled Belgian said that "we see for the moment a real Brexit revolt" in the United Kingdom.

Verhofstadt said he felt especially encouraged by the vote in the House of Commons seizing more control over the stalled Brexit process.

He said: "It is possible now to work in Britain toward a cross-party alliance. I hope it will lead to a proposal that can be backed by a majority in Westminster."

Lucrative

Mr Verhofstadt is a consummate European politician, securing a lucrative berth in Brussels after years slithering around the foul-smelling swamp of Belgian politics.

Empire star Jus cleared over 'attack'

PROSECUTORS have dropped all charges against US actor Jussie Smollett for allegedly staging a racist and homophobic attack, his lawyers say.

The *Empire* actor attended a court hearing in Chicago yesterday, where a judge dismissed the case.

Mr Smollett *(above)* told police he was attacked by two men in the Illinois city on January 29.

His attorneys maintained yesterday the actor was attacked by two unknown individuals.

Smollett attorneys Tina Glandian and Patricia Brown Holmes said in a statement their client's record "has been wiped clean."

"He was a victim who was villified and made to appear as a perpetrator as a result of false and inappropriate remarks made to the public causing an inappropriate rush to judgement."

"Jussie and many others were hurt by these unfair and unwarranted actions.

"There should never be an attempt to prove a case in the court of public opinion."

Brit doctor goes missing in Alps

A SEARCH is under way for a British GP who is missing – feared dead – after a hike in the French Alps.

Robert Bailey, 63, has not been seen since he went out walking in Les Houches, near Chamonix, on March 22.

The area, at the foot of France's highest peak, Mont Blanc, lies on the border with Switzerland and Italy, and is popular with skiers and climbers.

The Foreign and Commonwealth Office confirmed it was in contact with the French authorities.

A recorded message at Minster Medical Practice in Peterborough, where Dr Bailey is a senior partner, advises patients to only make emergency appointments "at this difficult time".

Outrage at plans to make male version of TV classic...

LEAD ROLES: Vegas and Mack

BERKS OF A FEATHER!

ORIGINAL CAST: Quirke, Joseph and Robson

TV bosses have been accused of running out of ideas after plans were revealed for a remake of *Birds of a Feather* starring MEN.

Producers reckon they can reproduce the comedy classic, which featured two working class sisters left to their own devices when their husbands are jailed for armed robbery.

And they reckon now is the perfect time to renew the show – but with two brothers whose wives are sent to jail.

By GRACE HOOPER

Randy

They want Johnny Vegas to play Pauline Quirke's character Sharon and *Not Going Out's* Lee Mack to be Linda Robson's Tracey.

Nigel Havers tops the wish list for the role of the randy posh neighbour, who was played by Lesley Joseph on the original show.

A TV insider said: "If they get the cast they want, this could be genius.

"But that's not likely and what this shows to most people is that TV execs have given up on new ideas.

"Why not just write a new sitcom instead of remaking an old one.

"Besides, doing a male *Birds of a Feather* would upset the feminists – even if it shows women can be criminals too."

Copper axed over 'racist' language wins appeal

A POLICE officer who was sacked for using racist language on a night out with colleagues has won an appeal against her dismissal.

A disciplinary hearing in June heard PC Katie Barratt, of Northumbria Police, used derogatory terms about staff in a Newcastle takeaway while drunkenly waiting for a pizza.

PC Barratt reportedly said: "I wish these f**king p*kis would hurry up with my pizza".

It was also claimed she had called them "n*****s, something PC Barratt never denied.

She appealed against the decision to fire her from her job and a panel on Monday agreed the force could have used a less severe punishment.

The original misconduct hearing was told she made the comments to colleagues and they were not heard by staff in the Spice of Punjab.

Superior officers were informed about what she had said on the Christmas night out in 2017 and an investigation was launched.

Ms Barratt was sacked after a misconduct hearing at Houghton police station in Tyne and Wear last year.

After the outcome of her appeal against her dismissal, the head of Northumbria's professional standards department said it will review the panel's decision.

New Year 'killer' set to face trial

A MAN has pleaded not guilty to the New Year's Day murder of a mum.

Charlotte Huggins, 33, is believed to have been the first person killed in the capital in 2019 when she was stabbed in Camberwell, south-east London, on January 1.

Her boyfriend, Michael Rolle, 34, of Dulwich, south-east London, entered a not guilty plea to her murder at the Old Bailey yesterday.

Ms Huggins was found at a property in John Ruskin Street at around 4.20am on New Year's Day, where paramedics tried to save her, but she was pronounced dead at the scene.

A post-mortem exam showed she had suffered a single stab wound.

Rolle, who appeared in court via video-link from Thameside prison, will face a three-week trial at the Old Bailey.

The busty beauty has fallen on hard times recently and is living in a tent on a deserted beach on the Llyn peninsula.

She then towelled herself dry – paying special attention to her amazing breasts before sitting back to enjoy a relaxing bottle of wine.

The site charges users £30 a month to look at her raunchy pics, which include semi-nude images.

But despite already flashing plenty of flesh online, Lisa is reluctant to take things to a hardcore level.

She explained: "I have been offered big bucks to star in Fake Taxi porn vids – I had a good chat with the producers and they're keen for me to film.

"I'm not sure yet if I'm going to do it but I have suggested maybe taking on the role of a sex therapist for the porn stars – advising them instead of bonking them.

"I could flash my tits – flag down the cab and be spontaneous.

Tosser fined for tugging in the pub

A PUB customer was caught on CCTV with his trousers round his ankles, masturbating.

Harley Whitehead, 29, pleasured himself in a booth in the Bees Knees boozer in Blackburn, Lancs.

Assistant manager Louisa Malone saw the incident and said his behaviour was "disgusting and repulsive."

Whitehead, 29, of Waddington, pleaded guilty at Blackburn Magistrates' Court to indecent exposure, using threatening behaviour towards the pub manager and being drunk and disorderly in McDonald's in Clitheroe on a separate occasion.

He was made subject to a community order for 18 months with 40 days' rehabilitation activity requirement, excluded from the Bees Knees and fined £170.

He was also put in the Sex Offenders' Register for five years.

I'D RATHER SHIT IN MY HAND THAN DATE WES AGAIN!

Meg blasts ex

IN HAPPIER TIMES: Wes and Megan

LOVE Island star Megan Barton Hanson says she would rather "shit in my own hand and clap" than reunite with her ex-boyfriend Wes Nelson.

The blonde stunna, 25, was branded savage when she firmly ruled out any hopes for reconciliation after she was asked by a fan if she would ever reignite their romance.

Megan and Wes, 21, split back in January, with the *Dancing on Ice* heartthrob now said to be dating Instagram model Lissy Roddy, 24.

Praising

It appeared to touch a nerve when more people asked if she would get back with Wes – rather than praising her new outfit.

Replying to one fan who asked if she would get back together with Wes, she shot back: "I would rather shit in my own hand and clap."

Megan was then flooded with comments from her 1.9million followers, with some branding her reply as "savage, brutal" and "priceless".

Her feelings towards Wes come just three days after he was seen for the first time with his rumoured love interest Lissy.

Sources said that the pair have been enjoying spending time together in the early stages of dating.

Meanwhile Megan has been seen sharing a flirty Instagram message with fellow *Love Island* star Charlie Frederick.

30 YEARS FOR 50P KILLER

A COIN collector who stabbed a fellow enthusiast to death and then stole his Beatrix Potter 50p pieces has been jailed for at least 30 years.

Danny Bostock, 33, entered Gordon McGhee's flat as a burglar and knifed him at least 14 times when he awoke, Ipswich Crown Court heard yesterday.

Judge David Goodin jailed Bostock for life for the "savage" murder, adding that he must serve 30 years in prison before he can be considered for release.

LIFE TERM: Bostock

Explosion

Bostock was said to be "cool-headed enough" after the murder to search Mr McGhee's flat for the coin collection, which included limited edition Beatrix Potter 50p pieces, Judge Goodin said.

Bostock then tried to cause a gas explosion to destroy evidence.

A jury found Bostock guilty of murder and of attempted arson being reckless as to whether life would be endangered.

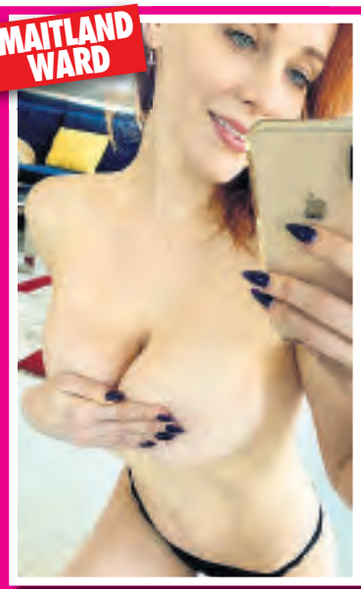

The missing items have not been found.

Judge Goodin said witnesses described Mr McGhee as a "generous man" and that Bostock knew of this generosity as Mr McGhee had showed him his own coin collection.

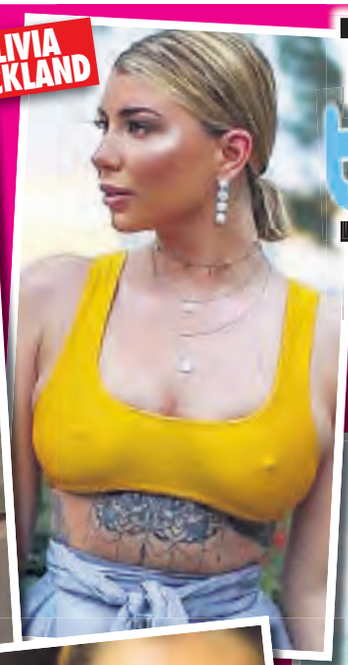

Mr McGhee, 52, was found dead in the bedroom of his flat in Colchester, Essex, on August 22 last year.

IS THAT JILL HALFPENNY'S TUPPENCE?

Evil phone hackers claim to have leaked her naked pics

By GRACE HOOPER
news@sundaysport.co.uk

EVIL cyberthieves claim to have posted TWO naked pictures of former *EastEnders* star Jill Halfpenny online.

The sick hackers reckon they have stolen the snaps from the actress's iCloud account and say the pictures show her completely nude.

One of the snaps, a mirror selfie, shows her totally in the nuddy and another reveals what appears to be her big boobs.

But there is no confirmation that the pics really are Jill, who plays Kate Mitchell in the BBC soap.

The 43-year-old star has not commentated on the pictures.

It is possible that the images are digital fakes created by vile tech wizards using advanced faking technologies.

Jill is the latest in a long line of celebrities who have apparently had their pictures leaked online.

Last week telly comic Sue Perkins, from Mel and Sue, had images allegedly of her knockers posted on the web.

A source said: "I've fancied Jill for years and always wanted to see her mimsy, but not like this.

"It's totally out of order. Fake or real, this is not how I wanted it to happen."

She said: "I take sandwiches in a bag as people think if you have guests you should impress them with things that are quirky and different.

"I'm frightened of quirky and different."

But the *Only Connect* host and professional poker player added: "I'd eat the sandwiches in the loo because I'd be hungry.

"I wouldn't eat my food in front of people."

Peaky Blinder babe to join Corrie as love interest for grieving Kate

SAD *Corrie* lesbian Kate Connor is about to be cheered up following the death of her lover – by a new girlfriend.

The Street's hottest lesbian, played by 31-year-old Faye Brookes, is currently grieving for her girlfriend Rana Nazir, who died when a roof fell on her head.

But the brunette beauty is getting a hot new lover – with massive knockers.

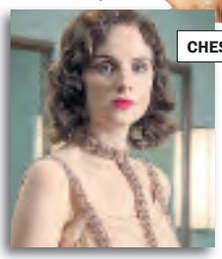

CHEST AMAZING: Curvy Sophie

Secret

Kate is set to hook up with her grief counsellor – and *Corrie* bosses want *Peaky Blinders* babe Sophie Rundle. 30, to play the role.

Sophie's character will fall for vulnerable Kate as she helps her through her troubles.

But the pair have to keep their love secret for the sake of the counsellor's career, as she is not allowed to lick out her clients and could lose her job.

Bosses hope that the tension between the pair will be a ratings hit and Sophie, who whipped out her massive knockers in BBC comedy *Episodes*, will sign up soon.

A source said: "Obviously, Kate is devastated by the loss of Rana on her wedding day and seeks help to cope with the trauma.

"Then she falls for her counsellor and it's all very emotional and heart-wrenching.

"And well hot. Especially if they get Sophie Rundle and dress her up to show off her massive tits."

Foodie boss in deer hunt trial

A RESTAURANT boss will face trial for firearms offences after shooting a deer in a public park.

William Alldis is accused of killing the animal on November 6 last year.

The incident is said to have happened in Dagnam Park in Romford, Essex.

At a previous hearing, magistrates were told Alldis was reported to the police by a member of the public who claimed to have seen the shooting.

The 40-year-old runs the Cart Shed restaurant in Epping, Essex, which states on its website that it champions "wild and locally produced food".

Alldis denied a single charge of possessing a firearm and suitable ammunition in a public place contrary to Section 19 and Schedule 6 of the Firearms Act 1968 at Snaresbrook Crown Court yesterday.

By George – Beatles sitar goes tits up!

STAFF at the Victoria and Albert Museum once dropped a priceless sitar played by former Beatle George Harrison.

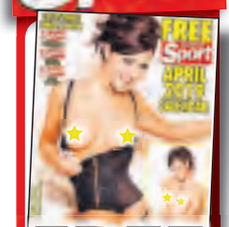

The stringed Indian folk instrument broke apart as the gourd – the sitar's bulbous 'resonance chamber' – came completely away.

A source said: "It was dropped by a member of staff. It hit the floor and the gourd bounced off."

Harrison (*above*), whose Beatle works include *While My Guitar Gently Weeps*, became transfixed by the sitar after hearing the work of Indian maestro Ravi Shankar back in 1965.

He learned to play the instrument well enough to use it on the hit song *Norwegian Wood* – regarded as the first pop song to feature a sitar.

The now-restored instrument is the one George – who died in 2001 – played on *Sgt Pepper's* back in 1967.

JONATHAN TROTT CALLS ME A C**T!

BBC Adrian Chiles' shock confession

By BEN TAYLOR news@sundaysport.co.uk

BBC broadcaster Adrian Chiles receives regular four-letter texts from a former England cricketer, it's been revealed.

They come from the right-handed batsman Jonathan Trott, 37, and always consist of just one crude word: "C**t."

But the pair are not at odds.

In fact, they are close pals and the filthy messages are part of a bizarre pact to help cope with life after fame.

Chiles, 52, who was once the face of ITV Sport but now presents two shows a week on BBC Radio 5, said: "I'm friends with Jonathan Trott and, after he retired, I said there is one word you are going to come to hate.

"The word is 'pipeline', as people look at you sympathetically and ask 'Anything in the pipeline at the moment?'

"So I told him that whenever someone uses that word, he should send me a message with just the word 'c**t'.

"The thing is, he works all over the world now so, with the time difference, I have had them from him at 3 o'clock in the morning!"

Chiles told the story to an audience at Birmingham Town Hall, where he was recording a podcast with comedian Richard Herring, 51.

#HOT'N'HORNY

SAUCY Holly Gibbons certainly isn't shy, as she loves to strip off on the roof garden of her riverside pad.

And the 27-year-old also admitted she has a kinky side too – and is a big fan of anal sex.

Brighton-born Holly, who boasts impressive 32E boobs, said: "In the summer, when it's really hot, I walk around and clean the flat in my nicest underwear.

"And sometimes I get naked, too. I'm always pottering around on the roof garden with my boobs out.

"I'm really not shy at all."

Holly also admitted she likes it in her own back yard.

She blushed: "I love anal. The trick is to take everything very slowly and slide it in a little at a time.

"Foreplay is really very important, too – especially kissing, stroking my breasts and rubbing my clit."

PERVERT BONKED COW

Border guards heard grunting

A MAN has been charged with having sex with a COW after a night on the sauce.

Jose Nino, 29, was arrested after he was caught red-handed back-ending the beast on a ranch next door to a bar.

Cops were called out to a reported bestiality case in Star County, Texas.

When officers arrived, they spoke with Border Patrol who stated they had witnessed a man who appeared to be "having sex with a cow."

Disturbing

After investigating the incident, police quickly determined that Nino was the suspect.

A source said: "The border guards were making a routine patrol when they heard grunting noises in one of the fields.

"They investigated and happened upon the unmistakable sight of a man sexually penetrating a heifer. He was very drunk.

"They won't forget such a disturbing thing in a hurry."

Bond for Nino has been set at £1,000 and he is currently in US Border Patrol custody.

'STRONG WOMAN' FIGHTS OFF SEX ATTACKER

A SEX attacker who pounced on a stranger claims he was scared for his safety as his victim "punched and kicked" him to get free.

Drug addict Daniel Carey, 25, struck in June 2017 when he dragged a 39-year-old woman down a hill and put his hand over her mouth.

But in front of a judge at Glasgow's High Court the thug told how her fightback left him worrying for his own safety in the incident in Lanarkshire.

Jurors heard the woman screamed for help and begged him to stop.

Carey denied the crime was sexually motivated and just wanted her phone.

He told the court his victim was "too strong" for him and when he fled he was worried she'd catch him.

He said: "She was trying to punch and kick me. The thing I was thinking about was her catching me."

Carey was put on the Sex Offenders' Register, and convicted of assaulting the woman with intent to rape.

Sentence was deferred.

Five times limit mum crashed car into tree

A PERSONAL assistant crashed her car into a tree while more than five times the drink-drive limit and tried to drive away despite her airbag having deployed.

Carley House, 28, was found "spaced out" at the wheel of her wrecked Ford Fiesta, near her home in Worcester Park, south London, but was only prevented from driving off when a witness took away her car keys, Croydon Magistrates Court heard.

Mother-of-one House was given a 12-week prison sentence, suspended for 18 months, and was banned from driving for three years.

She was also ordered to complete 80 hours of community service, attend a 30-day rehab course and pay £200 in court costs and fees.

MILEY CYRUS BUKKAKE SHOCKER

MARRIED: Liam and Miley

POP pertlet Miley Cyrus has stunned her millions of fans with an X-rated SPUNKY FACE Instagram post!

Little Miley, 26, calmed down her public persona since marrying hubby Liam Hemsworth.

And her *Wrecking Ball* nude days seem just a distant memory.

But the cute-boobed temptress still has the power to shock.

By HAYLEY CLARKE

Cream

Taking to Instagram she shared a screenshot of herself as Hannah Montana seconds after having a whipped cream pie splatted in her face by BFF Lily Truscott.

She crudely captioned the post: "Honeymoon phase," followed by a laughing emoji.

Fans believed Miley was hinting that she received facefuls of hot spunk on her honeymoon.

So-called "facials" are also known as bukkake in Japan.

One fan said: "The thought of Miley Cyrus getting a 'facial' has just made me ejaculate in my trousers."

Liam and Miley got married in secret on December 23 last year after dating on and off for nine years.

The duo first met while working on 2010 film *The Last Song* in which they both played leading roles.

Private

While they kept their wedding day as private as possible, Miley's country star dad Billy-Ray Cyrus took to Instagram recently to share a string of snaps from the big day.

Adams gig evictees in stab drama

A WOMAN stabbed her boyfriend in the FACE after they were kicked out of a Bryan Adams concert.

The 34-year-old was convicted yesterday of assault, assault with a weapon and possession of a dangerous weapon.

Judge James Walsh also found the woman guilty of assaulting a police officer for spitting.

Near the end of the *Summer of 69* singer's concert in St. John's, Newfoundland, in July 2018, the woman left her seat to stand closer to the stage.

A man sat near the front argued with her, took out his phone and said he was going to report her, before her boyfriend grabbed the mobile and threw it.

The pair were booted out of the venue and returned home, where the stabbing incident took place.

"I remember going upstairs and asking him why he would ruin the last 20 minutes of the concert," she later said.

"I told him he had ruined my night."

She will return to court for sentencing in May.

Drunk shoppers blow £36billion online

DRUNK shoppers spend a whopping £36BILLION online every year – with the vast majority of loot splashed on Amazon.

Tech and business newsletter *The Hustle* surveyed more than 2,000 alcohol-drinking adults about their online shopping behaviour after imbibing and found, on average, shoppers spent more than (£300 per year on items bought while intoxicated.

Based on the survey, 85% of drunk shoppers visit and make ill-advised purchases on Amazon, followed by eBay (21%), and Etsy (12%).

After necking either beer, wine, or spirits, clothing is the most popular purchase.

Amazon is on track to make up more than half of the entire e-commerce market globally.

And in 2018, it was already accounting for 48% of online shopping.

As TV cop show begins 20th series...

By GRACE HOOPER news@sundaysport.co.uk

THE sleepy village of Midsomer may have had more murders than downtown LA but it's also seen its fair share of sexy ladies.

And, thankfully, loads of them have got their busters out too!

As the ITV cop show *Midsomer Murders* celebrates its 20th series, we have trawled through the archives to find out just which babes out of the hundreds of actresses who have appeared in the blood-soaked show have been gracious enough to shed their clothes for us.

Not surprisingly, Oscar winner Olivia Colman popped up in 2009, as did busty gardener Kelly Brook last year and *Corrie's* Michelle Collins in 2016.

A TV insider said: "An appearance on *Midsomer* is like a rite of passage for British actresses, as is getting your tits out on film.

"Which means we've seen loads of the guest stars with no clothes on. Result."

Homeless man's £380 rip-off by no-show hookers

A HOMELESS man called cops to report that he paid for sex that he never received.

Police said they responded after the 50-year-old man, identified as Jon Sengul, called their emergency number regarding the incident.

Sengul *(above)* told them he offered four people around £380 for one or more of them to come to his motel room and have sex.

The responding officer said he then sought to clarify with Sengul that he was in fact soliciting another person for sex.

Sengul, a known homeless man in West Palm Beach, Florida, confirmed to the officer that is what he did.

Sengul said he called police after giving the individuals money, but said they then failed to come to his room.

He was taken into custody and charged with one count of soliciting a prostitute.

He posted bail and was released from jail on Sunday afternoon.

Wooden willy cost school head his job

A WOODEN penis has turned into a nightmare for a former headmaster.

John Stanton, a former school principal, claims he was fired from his job because of the joke gift – and that he even attempted SUICIDE as a result.

Stanton gave the carved willy as a departing gift to a female security guard as a joke.

According to the case filed in US District Court in Denver in January, the guard had previously confiscated the wooden penis from a student who made it in class.

On the security guard's last day, Stanton gave her back the wooden penis as a joke.

District administrators found out and forced him out of his post.

Stanton alleges his constitutional rights were violated when he was forced to resign in June 2017.

LESBIAN TEACHER'S SEX WITH TWO TEENAGE GIRLS

COURT: Miss still faces sentencing

A LESBIAN arts teacher who had sex with two underage teenagers is facing prison.

The 28-year-old woman was arrested last year after it was revealed she had relationships with students for more than two years.

The teacher would take her students on beach trips in Perth, Australia, and host photography and graphic design workshops.

She could face a maximum sentence of 20 years in jail for sexual conduct with a child under 16, which she has admitted to.

An investigation was launched after a teenage girl claimed she had been in a relationship with the teacher.

The woman pleaded guilty to 48 sex offences – including sexual penetration on her victim aged between 13 and 16 at the time of the offence.

She indecently assaulted the victim up to 19 times on multiple occasions including repeated assaults on Australia Day in 2016.

In 2017, the teacher indecently dealt with a second student and sexually penetrated her 14 times, the Rockingham Magistrates' Court heard.

The unnamed woman, who has been teaching since 2013, was arrested in July 2018 and dismissed by the Education Department soon after.

She will be sentenced in May.

Cop nicked in Peeping Tom motel sting

A PEEPING Tom cop has been found guilty on three counts of "surreptitiously looking in windows of rooms" at a hotel.

Constable George Farmer, 44, was convicted of voyeurism, trespassing at night and breach of trust for his actions.

On several occasions Farmer *(above)* went to the Esquire Motel in Halifax, Canada, approached several rooms and looked through the windows.

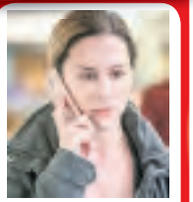

His activities were observed by other officers, who put him under surveillance after his supervisor put in a complaint about suspicious activities.

They also put an undercover officer in one of the motel rooms, dressed in shorts and a tank top, and had her leave the curtains slightly open.

Farmer was seen looking into her room eight times.

He will be sentenced on April 12.

Queen's favourite town named UK's cheating capital

THE Queen's favourite town is the CHEATING capital of the UK.

Windsor in Berkshire – home of Her Majesty's beloved Windsor Castle – has been officially named as the place where a hubby or wife is most likely to have an affair.

A study has revealed that the town has 1,555 people cheating.

The interactive Infidelity Index allows users to search a city, town or postcode to discover how many people have affairs in any locality.

Suburbs

This year's table from *IllicitEncounters.com* – the UK's leading dating site for married people – shows that sex in the suburbs is booming, with five rich commuter towns in the South East in the Top 10.

Windsor came out highest with 4.29% of the population cheating.

In second place was Penarth in the Vale of Glamorgan with 4.12% of the population – making it the cheating capital of Wales.

Henley-on-Thames in Oxon was third with 3.98%, Barnstaple in Devon was fourth with 3.22% and another London commuter town, Staines in Surrey, was fifth with 3.16% of the population.

Hamilton in South Lanarkshire, eighth in the UK table, was Scotland's cheating capital with 3.15% of the population.

The most faithful town was Bournemouth in Hampshire – where less than 1% of the population cheat.

Windsor, where Prince Harry and Meghan Markle were married last year, is one of the UK's tourism hotspots with 7.6m visitors a year.

Christian Grant from *IllicitEncounters.com* said: "Windsor is the UK's new cheating capital – it is one of a number of affluent commuter towns in the Top 10 and shows that sex in the suburbs has never been so popular."

£1M COMPO CLAIM OVER FARTING BOSS

AN engineer who claims his works boss repeatedly farted near him and "thrusted his bum" at him is hoping his bullying claim is successful on appeal.

David Hingst, 56, had sought £1million in a suit against his former employer, Construction Engineering, but a judge threw the case out of the Supreme Court last year.

Mr Hingst came before the Court of Appeal on Monday, when he said "flatulence was a form of bullying", and his ex-colleague Greg Short was a serial farter.

By COLIN HURST
news@sundaysport.co.uk

"I would be sitting with my face to the wall and he would come into the room, which was small with no windows," Mr Hingst said.

"He would fart behind me and walk away. He would do this five or six times a day."

Abused

Structural engineer Mr Hingst said Mr Short, his manager at the time, had also abused him over the phone and would taunt him with gestures.

"He thrusted his bum at me while he's at work," he said.

But appeal judges in Melbourne, Australia, also heard Mr Hingst had called his colleague "Mr Stinky".

"And you sprayed deodorant at him," Justice Phillip Priest said.

Justice Priest said farts were not the key issue in Mr Hingst's original claim, as it had focused more on the phone calls.

Mr Hingst, who is representing himself, is seeking leave to appeal on several grounds.

He claims he didn't get a fair trial, as he felt under pressure from Supreme Court Justice Rita Zammit when questioning witnesses.

He also claims the judge was biased against him.

Judges will deliver their ruling on the appeal on Friday.

A YOUNG woman flashed her black PANTIES on the underground in a protest against upskirting!

Student Anna Dovgalyuk, who describes herself as a public activist, published a "video manifest" in which she stands in the middle of a series of crowded St Petersburg subway stations and hikes up her red dress in front of the camera.

She staged the solo protest to complain about so-called upskirting – the practice where men take pictures under the skirt of an unaware victim.

"This video is 'dedicated'|' to all who love to peek under skirts. On the behalf of all women who became your victims – here, look! And stay away from us," the caption on the video reads.

CURVY Krystal Webb says she will be going to bed early this weekend – so she doesn't lose out on any of her precious shagging time!

forward in spring – so every time it happens she makes up for it with LOTS of sex the night before.

The 30-year-old beauty said: "I need sex at least twice-a-day – once at night and once in the morning ideally.

"Usually Sunday mornings are quite busy for me so when the clocks go forward I end up missing out.

"That's why I always go to bed early so I can get a good double shagging under my belt the night before!"

PLANE CRAZY!

Naked man trying to board flight says he's 'more aerodynamic nude'

By GRACE HOOPER news@sundaysport.co.uk

A NAKED man attempted to board a plane while shouting that clothes make him "less aerodynamic".

The man had passed through the Ural Airlines flight's registration before suddenly stripping off his clothes and running stark naked onto the Moscow jet bridge, eyewitnesses said.

One fellow passenger said: "He shouted that he was naked because clothing impairs the aerodynamics of the body.

Handcuffed

"He said he flies with more agility when undressed."

The nude intruder was intercepted by airport staff before he could make it onto his plane to Crimea.

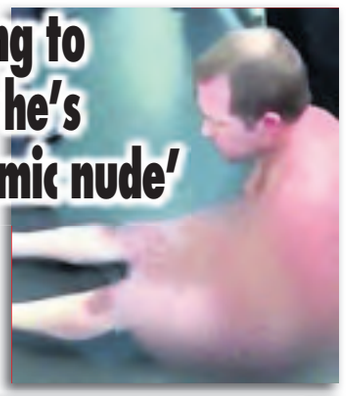

He was later detained by police officers.

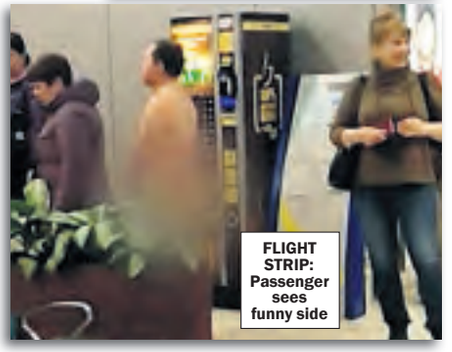

The Russian Interior Ministry said in a statement: "After the police had detained the offender, he was taken to the airport's medical room and then was hospitalised in a medical facility.

"The offender is a native of the port city Yakutsk but lives in the Moscow region."

A video has been released of the man after police detention, handcuffed on the floor – and still very naked.

Eyewitnesses added that the man did NOT seem drunk.

Man charged after lemur bit beach woman

A MAN was arrested when his unlicensed lemur BIT a woman on a beach.

Alberto Marrero, 53, received seven second-degree misdemeanour charges stemming from the incident on Fort Lauderdale Beach in Florida.

Yolanda Jacobs and some friends were walking on the beach when she saw a man with a lemur on his shoulder taking pictures with people.

Jacobs said one of her friends paid the man, later identified as Marrero, so she could take a picture with the ring-tailed lemur on her shoulder.

When the woman extended her hand to steady the lemur on her shoulder, the primate bit her, breaking the skin.

Marrero was charged with keeping the lemur at an unapproved facility, exhibiting the lemur without the required permit, maintaining the lemur in a manner resulting in a threat to public safety and not having a proper enclosure.

PEOPLE recall a lot more memories from their young adulthood, rather than other periods of their life – a phenomenon called "reminiscence bump."

Teen slipped LSD in drinks of 'negative energy' co-workers

A RENTAL car worker said he spiked three co-workers' drinks with LSD because they were giving off "negative energy", police said.

Officers began investigating the unidentified 19-year-old man after they were called to the rental car outlet in Arnold, Missouri.

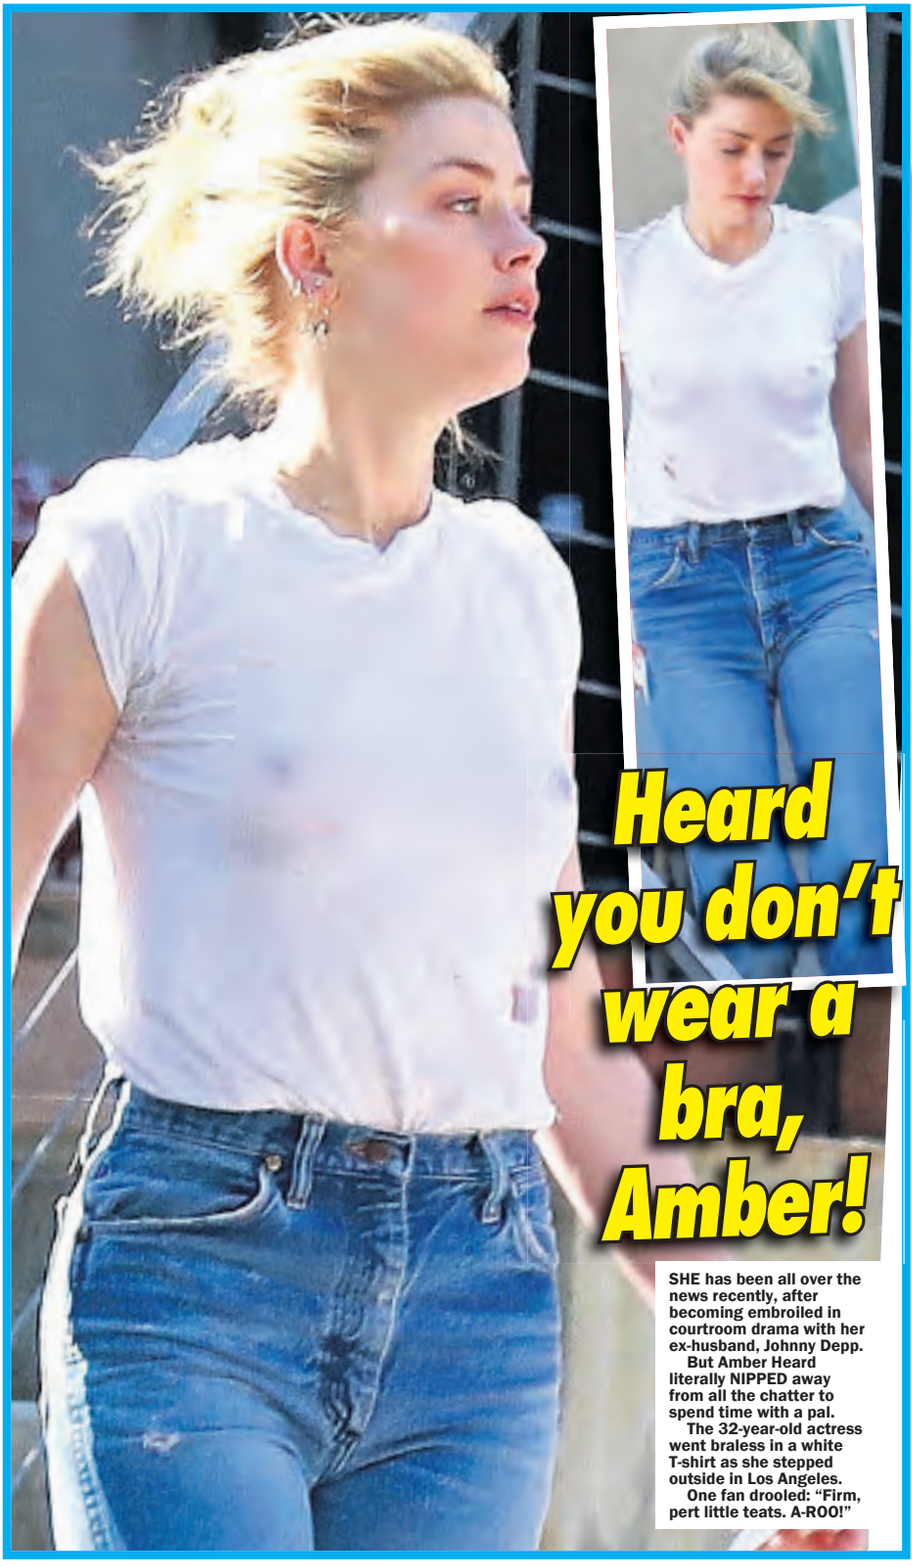

Two people reported feeling dizzy and shaky for an unexplained reason.

The workers were taken to urgent care before being transferred to hospital, where they fully recovered.

Cops questioned the 19-year-old employee, who admitted he put the hallucinogenic drug in two co-workers' water bottles and a third employee's coffee that day because they had "negative energy".

The teenager faces charges of second-degree assault and possession of a controlled substance.

ATHLETICS COACH MISS SUCKED OFF LAD, 16

Heard you don't wear a bra, Amber!

SHE has been all over the news recently, after becoming embroiled in courtroom drama with her ex-husband, Johnny Depp.

But Amber Heard literally NIPPED away from all the chatter to spend time with a pal.

The 32-year-old actress went braless in a white T-shirt as she stepped outside in Los Angeles.

One fan drooled: "Firm, pert little teats. A-ROO!"

X-RATED VIDEO: Sarah Porter

A TEACHER was arrested after she sent a 16-year-old lad a video of her masturbating – then sucked his cock to completion!

Sarah Porter, a Spanish teacher and athletics coach at Arapahoe High School in Centennial, Colorado, is facing charges of sexual assault on a child by someone in a position of trust.

Porter, 24, is accused of sexually assaulting a 16-year-old student she was coaching, according to arrest documents.

A student reported on the Safe2Tell website that a student and teacher had kissed in an office with the lights off, according to arrest documents.

By COLIN HURST
news@sundaysport.co.uk

Ejaculated

The lad also said that Porter knelt in front of him, fished his stiffening teen penis from his sweaty running shorts and sucked hungrily on his bellend until he ejaculated.

The lad said a spunky-faced Porter them looked up and purred: "Mmmmm... that's the kind of milk this pussy cat needs."

The website allows students across the state to report tips about threats anonymously.

The student victim told investigators that Porter also sent him nude photos and videos of herself masturbating.

The head track coach confronted Porter after the report and she told him that she had sent revealing photos to a student.

A clinical social worker reported to police that Porter told her she had physical contact with a student athlete in her office and that "they did everything leading to it" but did not have sex.

Porter is being held on remand.

#THE CRAZIEST VIRALS OUT THERE

mad sh*t!

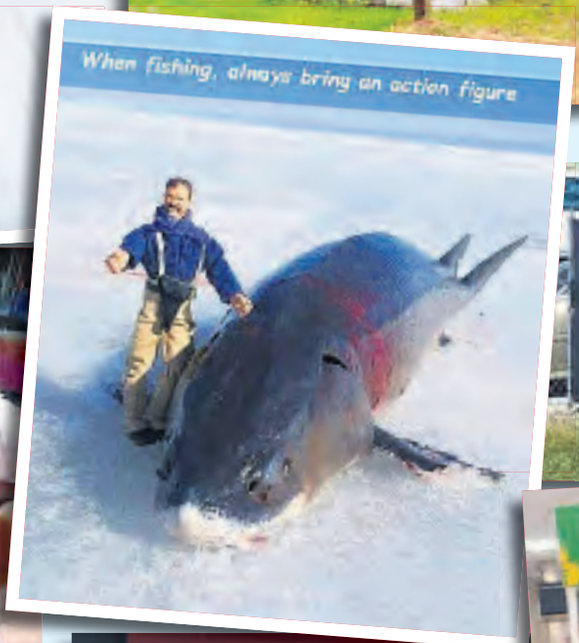

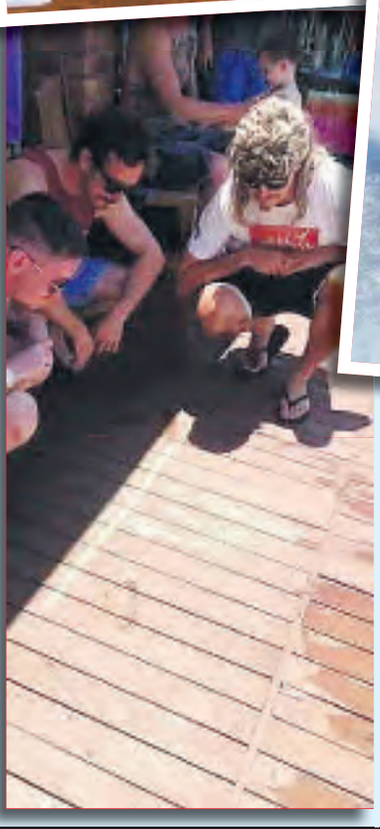

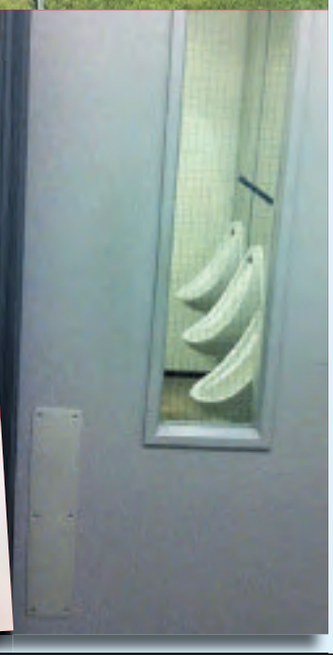

THE WORLD FAMOUS AGONY Page

Dear Sam,

THE other week I found a film clip on the internet which I'm pretty sure is of my girlfriend and two blokes – having sex.

Imagine my shock when I saw her sucking on a huge cock while she was being boned from behind.

Then I watched in amazement as she sucked both their cocks at the same time.

She then lay on the bed while they wanked all over her tits before screaming her head off as she had one cock up her arse and one in her fanny.

This shocked me more than anything else because she's always been so reluctant to experiment sexually like that with me.

Even though I realise she may have made this film before we ever met, I can't get it out of my head and refuse to delete it off my home computer, as I still like to watch it and have a tug when I'm alone.

Is this normal behaviour?

DC, Newcastle

Sam says...

WHY not ask her to make your own video together.

Dear Sam,

I'M a married businesswoman who was in charge of a big sales firm, bossing around dozens of men.

But this all changed last month when the firm was taken over and a new chief exec arrived. He's a pushy type but really fit who is always effing and blinding at the staff.

At first I put up with him, but one day I blew my top when he criticised me. When I calmed down he smiled and said there was only room for one boss and I'd have to learn my place.

I found myself getting turned on by his words and then he grabbed me, bent me over his desk, pulled up my skirt and gave me a good spanking!

I was so shocked I did not try to resist and he then teased my fanny with his expert fingers until I was virtually begging for him to f**k me over his desk.

Now when I'm randy, I am deliberately rude to him and he spanks me. Is this a normal working relationship?

DS, Sussex

Sam says...

NO – but it sounds like you've got everything in hand.

Office cleaners enjoyed playing dirty with me

Dear Sam,

I'M a night security guard at an office block and my routine is usually pretty boring.

But one night last week I was doing my rounds when I heard sexy giggling coming from one of the offices.

I carefully peeped in and was amazed to see two of the fit young cleaning girls, both about 19 or 20, naked and touching each other up!

Instantly my Johnson stiffened as I stood and watched the babes running their hands over each other's bodies.

Then they started kissing each other deeply and toying with their stiff nips.

The blonde one then squatted down and tongued the redhead's beaver before they swapped positions.

They must have heard me gasping as they both looked up at the same time and caught me watching their antics.

I thought they would go mental – but instead they beckoned me in!

Soon the redhead had my cock in her gob as the blonde straddled my face with her dripping muff.

Trouble is, I haven't seen them since and I'm shit-scared CCTV will have caught our romp and I'll end up getting sacked!

HF, Manchester

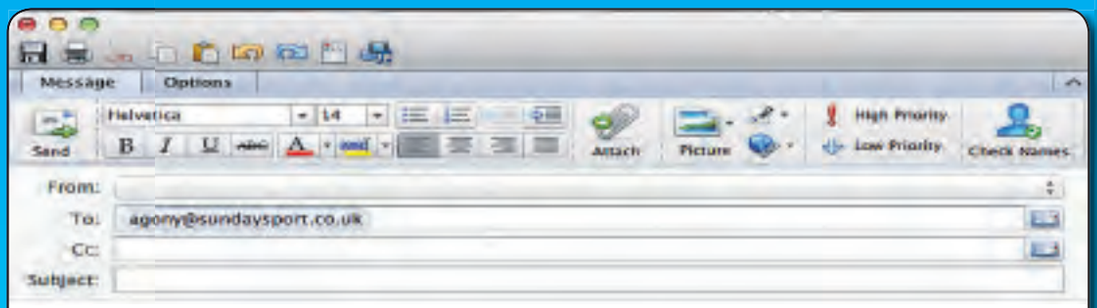

Sam says...

WELL at least you had some fun at work.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

I bonked two horny sisters in pub toilet

Dear Sam,

I'VE had a bit of a problem since I moved to a quiet village six months ago.

I work in the pub and I've fallen for one of the locals. She's 29 and has a great figure.

We have a laugh and a joke every time she comes in and we fondle each other without the others in the pub knowing.

I'd really like to start up a relationship with her, but the problem is that I'm sleeping with her sister!

Sucking

I met her soon after I settled in at my little cottage and we've been an item since.

She's a great girl in her mid-30s and we have a lively sex life.

Recently we had a lock-in at the pub and when I went to the toilet the younger sister followed me.

She got my manhood out, pulled me into the ladies, ripped my jeans down and hitched up her skirt.

Then she pushed me against the wash basin and ordered me in no uncertain terms to f**k her.

After 10 minutes we were still going for it when my girlfriend suddenly came in and caught us on the job.

She rushed over, barged her sister to one side, took her top off and started sucking me off until I came all over her massive tits.

I ended up shafting both of them – twice!

But the next morning, when we'd all sobered up, things were a little different and now they are asking me to choose between them.

I don't want to ditch either, as they both really turn me on.

What should I do?

PY, south Yorkshire

Sam says...

IT sounds like you're more keen on the younger sister, so I think your choice is an easy one.

Dear Sam,

MY missus is a right kinky mare and I used to love it when she sucked my toes and licked my balls.

I even went along with it when she asked me to penetrate her with fruit and veg – the odd cucumber and banana.

But a couple of nights ago, she asked me to pleasure her with a massive German sausage we'd bought earlier at the supermarket.

I drew the line at this, but then she said I'd have to make my own tea in the future!

BL, Somerset

Sam says...

WHY don't you sit down with her and work out what you BOTH want on the sex menu.

DO YOU HAVE A SEX PROBLEM?

Back seat sex pays for driving lessons

Dear Sam,

I'M a 19-year-old female student who is currently learning to drive.

I reckon I'm a decent looker with an attractive body and my instructor was very flirty with me from my very first lesson.

And when I told him I was skint as old arseholes, he said it wasn't a problem and that I could pay him "in other ways".

This means I now suck him off and let him shag me in the back seat of his car down a quiet country lane after each lesson.

He's 44, but he's handsome enough and physically very fit as he goes to the gym all the time.

Ramming

So he has a nice toned body and, best of all, he has a massive cock which is about eight inches.

I enjoy sucking his dick and he always licks me out before doing me from behind, ramming me hard and fast with his rock-hard cock.

But I'm starting to worry that he's not teaching me to drive that well.

I've had around 50 lessons so far and I have failed my test three times.

But he says I'm a good driver and I just need to be patient and carry on with the lessons.

What should I do?

PK, Essex

Sam says...

SCREW the examiner next time! Or find another instructor who won't take the piss.

Dear Sam,

I'M a 24-year-old blonde babe who loves to get attention by wearing high heels and tight skirts.

I'm due to get married in July to a really nice fella who treats me like a princess.

But the problem is I turn into a real slut when I'm pissed.

At last year's office Christmas party I got tipsy and had a lick of the boss's meat stick.

The other day I went to the pub with a few of my mates to talk about the wedding and it wasn't long before a fit, hunky fella caught my eye.

I followed him into the men's toilets and told him that I wanted his knob in my gob.

I quickly got my lips around his big shaft and played with his bellend as he massaged my clitoris.

But after he shot his load down my throat, he suggested he text a couple of his mates who were back out in the pub – if I fancied gobbling them as well.

Well, I told him I was well up for it and he got his pals in for a spunk fest.

Now I feel guilty my fiance will find out and call off the wedding.

Help!

JERRI BYRNE

By SIMON DEAN
simon@sundaysport.co.uk

JUICY Jerri Byrne grew up taking classes in streetdance, disco and jazz and may well have entered the music world or become a dancer.

But her natural 34DD delights led the Manchester babe to modelling – making her boobs-out debut in 2003.

Jerri, 33, was an instant hit with *Sport* readers and our postbag bulged every week with requests to see more of her fantastic curves.

Swanky

She became a big hit when the ladsmags burst onto the scene and she made saucy videos for *Maxim* magazine.

As well as that, Jerri was regularly seen on the party scene in Fancy London, and was often snapped outside the swanky capital's poshest watering holes.

A fan said: "I loved Jerri, she was my favourite model.I wonder what happened to her.

"I used to follow her everywhere. At a safe distance though – she never knew I was watching."

'Going dogging would feel seedy, taboo and kinky'

...WITH CARLI BANKS, AGE 26, 32C-24-34 FROM WEYMOUTH, DORSET

'IT sounds a bit wrong, but the idea of going dogging gets me hot under the bonnet!

I fantasise about trying it out and unleashing my exhibitionist side.

Let's just say I would get a kinky thrill by putting on a naughty show of just how well I can handle a gear stick!

I'm not sure I would want to go as far as wanting anyone else to join in, but I do love the idea of people watching me and a fella going at it.

To think of them getting excited looking into the car while I was bouncing up and down on top of him is so arousing.

In a dark and secluded place it would feel quite seedy but very, very taboo and kinky.

Doing something like that would mean completely letting go of your inhibitions, which is why it seems so hot.

Then, if I can work up the courage, have lots of guys touch me and join in!'

Dean, from Cornwall, loves to ogle Ree's 32GG sweater-stretchers and said: "If Ree came in for a valet, I'd give her the full works and then some.

"Although, things wouldn't get clean, it'd get dirty!

"There'd be white stuff all over her boobs – and it wouldn't be shampoo!"

SUPERSTARS: Pogba and France

BLEUS STILL ON TOP IN EURO RACE

ENGLAND are 11/2 with BetVictor to lift the Euro 2020 Trophy at Wembley next July after their fluent successes against the Czech Republic and Montenegro.

France were impressive 4-0 winners against Iceland in Paris on Monday and Les Bleus are 7/2 market leaders to add the Euro crown to their World title with Spain 13/2, Germany 7s and Belgium 15/2.

Belgium beat England twice in last year's World Cup – without conceding in either game - but the oddsmakers believe the Three Lions are progressing and Gareth Southgate's side are 7/4 favourites at BetVictor to win the Nations League in Portugal this summer with the hosts 2/1, the Netherlands 3s and Switzerland 6/1.

England's win in Podgorica was overshadowed by the racist abuse aimed at black players. A small fine is not enough. UEFA must show their teeth although the rise in racism in many states – and not just in Eastern Europe – is a problem not confined to football.

The 2019 Indian Premier League has got off to a blistering start and on Monday Rajasthan Royals' Jos Buttler was run out backing up at the non-striker's end – now called Mankaded – by Kings XI Punjab captain Ravi Ashwin. It is not sure if Ashwin gave the England player a warning, but Buttler has previous for backing up too far having been run out in similar circumstances against Sri Lanka in 2014 when he was given at least a couple of warnings by Sachithra Senanayake.

Advantage

Kings XI – who won their first game against the Royals' – are back in action today in Kolkata against the Knight Riders who chased down 181 against Sunrisers Hyderabad courtesy of a brutal 49 by West Indies Andre Russell from 19 balls and back-to-back sixes to win the game from Shubman Gill. I hope he will be in India's World Cup side in England this summer – he's a rare talent.

KKR are 8/11 at BetVictor to make it two out of two and I feel they will make home advantage count. Indeed, they could go all the way to the final although my antepost selection would be Hyderabad despite their opening game loss. The Knight Riders are 11/2 at BetVictor to win the competition with the Sunrisers 5/1.

Rob Cross leads the Premier League of Darts after seven weeks but there is a double header in Rotterdam this week with Judgement Night tomorrow following this evening's fixtures. Michael van Gerwen won the first European Tour event of the year at the weekend beating Cross and the latter has returned to the form that brought him the 2018 World title in recent weeks.

Cross is Evens to beat the ultra-consistent Mensur Suljovic and he can go into tomorrow's Judgement Night top of the table. Raymond van Barneveld will meet van Gerwen in Rotterdam tomorrow in what is likely to be his last ever Premier League game and perhaps his last game in front of his home supporters.

It is sure to be a wonderful occasion, but I expect MvG to be as ruthless as ever as he shows the home crowd – the King is dead but long live the King.

DYNAMIC DUO: Mike Phelan and Ole Gunnar Solskjaer

We're Gunnar keep top team

MATIC WANTS ALL COACHES TO STAY AT UNITED

By PAUL THOMAS

MANCHESTER United must keep all of their management team — not just gaffer Ole Gunnar Solskjaer.

That's the view of Nemanja Matic who believes Mike Phelan, Michael Carrick and Kieran McKenna have done just as much to boost the Reds as the Norwegian.

Solskjaer is still waiting to find out if he'll get the job on a permanent basis after working miracles since succeeding Jose Mourinho in November.

There were rumours swirling around Old Trafford that an announcement would be made during the current international break. Insider reports from the club suggest that boss Ed Woodward may wait until the end of the season to make the call.

Matic hopes there will be no changes at the top whenever the decision is made.

He said: "I think he is a great manager.

"But you have to say also that with Mike, Michael and Kieran, they work very well together. They work as a team. It is not only Ole.

"There are people behind him who help us. I will be happy if he stays, and I hope he will."

Phelan is keeping tightlipped about his long-term future at United.

He said: "It's just a case of seeing how things develop over the next couple of months."

The former United midfielder is currently employed as sporting director for Central Coast Mariners in Australia and could yet head back down under.

He added: "It's a busy time for Manchester United obviously, but the season is coming to an end in Australia.

"So I think once decisions are made back over in England then I think we'll open those discussions again with the Mariners and hopefully the partnership can continue.

"I think it's a good one — it's a nice one to be able to be associated with the Mariners, and obviously an association for the Mariners with Manchester United is always a nice thing.

"It's all down to if's and but's right now, but I certainly would like to keep my interest at the Mariners."

It's not just Matic that has been voicing his support for Solskjaer — just about the whole squad have given him their backing.

Defender Victor Lindelof said: "If he gets the job, I will be pleased.

"I'm very happy with the things that he has done since he's arrived. I have nothing bad to say about him, he knows the club well."

BARK BITES OVER GOAL

ROSS Barkley admits he's embarrassed about "stealing" an England goal from Callum Hudson-Odoi.

The Chelsea midfielder got a touch on the teenager's goalbound shot against Montenegro on Monday night. But he's adamant that the effort was heading wide before he turned it past the keeper.

Barkley is adamant that he wasn't trying to steal a dream debut goal from the 18-year-old and was delighted with the way England played in the 5-1 victory.

By JOHN ANTHONY

He said: "I haven't seen the goal back and I'm not sure if it was going in.

"If it was going in I will be disappointed because I know how gutted he will be, he thrives off scoring and assisting.

"But he is really happy with the performance and I'm happy he got a start because the sky is the limit for him.

"He is a great lad and really mature for his age and he is going to keep developing, we have a real player there."

Barkley had much his best game in an England shirt and added another goal to his tap-in.

He thinks the Three Lions have done well to keep the momentum going from their excellent campaign at the World Cup and then Nations League last summer.

Barkley was pleased to step in and shine in the absence of players like Jesse Lingard.

He added: "It was positive from a personal point of view.

"To come away from home, over the years you've seen the results that Montenegro have had and they are a solid team.

"They made it difficult in the first 10-15 minutes but we responded really well and put in a positive performance."

It was a relatively inexperienced England side with West Ham midfielder making his controversial debut having switched his allegiance from Ireland.

GOOD CALL: Southgate

Young

Barkley is only 25 himself but seems like one of the senior players and he thinks the rising stars can play an ever bigger role for Gareth Southgate.

He added: "It is a credit to the boss.

"He shows that he has got no fear in blooding a young player, Callum, Jadon Sancho and Declan and there are plenty of others who can make the squad over the next season, leading up to the Euros.

"There are a lot of positives going into the next Euros and the Nations League, it is a really positive time for the English people."

Southgate was impressed by Hudson-Odoi.

He said: "I don't need to speak about Callum — his performance did that. With young players it's up to them.

"You can see the talent. His application with us has been excellent but like any player you have to work hard to improve."

SORRY MATE: Hudson-Odoi and Barkley

JONES SNUBS LIONS 'BLAZER'

RUGBY UNION

ENGLAND boss Eddie Jones says coaching the Lions is an "ambassador job" and he's not remotely interested.

He has been linked with the high-profile role and is also in the running to take over from Michael Cheika as Australia gaffer.

Jones says he will NOT be leading the British Isles on their trip to South Africa in 2021 and has made his feelings clear.

He said: "The last thing I want to do is spend eight weeks in a blazer.

"That's an ambassador job. I'm a coach. I'd rather coach the Queensland Sheffield Shield cricket team."

He sounds a lot keener on going back to Australia where he led the Kangaroos four four years from 2001.

He has a contract until the end of this year, with the England set-up having the option of another 24 months should results go well.

But Jones is clearly thinking of his next challenge. He said: "I don't think I would ever say 'never', but it's not something I have really thought about.

"One thing Australia are not short of is talent. Cheika is in a good position. This could be his last hurrah and he's got nothing to lose."

Head of the RFU Nigel Melville was tight-lipped on rumours linking Wales and former Lions coach Warren Gatland with the England job.

He said: "Eddie's contracted until 2021 and the reason for that is that we see an opportunity after the World Cup to transition and keep momentum going.

"We're aware of the market and where we are. We need to look at options going forward and we've got time.

"We won't be announcing anything until after the World Cup because that's the point.

"We don't want distractions going into the World Cup because we want to make sure we're focused on the World Cup.

"We don't have a shortlist. There will be internal candidates and external candidates. We just keep an eye on it."

TIP: Richard Johnson

Lash out at bookie chaps with Johnson

WINNING POST WITH BEN MORGAN

WITH just one jumps meeting at Market Rasen, the attention turns to the Flat as trainers try to steal a march on one another by getting some runs into their nicer types.

My best bet however, runs over the jumps and it's BACK ON THE LASH (NAP) who impressed me when winning at Ludlow last time. That victory came over a trip which you imagine would have been far too short given connections now step him up to 3m. He was doing his best work at the finish that day and breeding suggests he should be more than capable of handling this step up in trip. Richard Johnson keeps the partnership intact and that is key.

CROSSE FIRE is standing dish at Southwell these days and he rarely runs a bad race there.

He has been keeping some very good company this winter and have performed admirably.

Doubts

If those races were to be run away from Southwell, I'm not sure the selection would be able to land a blow on some on his victors, but at Southwell he is very much a different beast. He looks to be in at the right level today and I anticipate him to put up another bold show.

Over at Lingfield, HARRY CALLAHAN bids to notch up a hat trick of wins for Mick Channon.

Having never won over 1m 6f before, there has to be doubts about whether he will stay this marathon trip, but the way he has been finishing his races suggests this extra distance could be right up his street.

The handicapper has been lenient on him by only knocking him a pound for those two victories and he may regret being so lenient as the extra distance could bring about 5lbs of improvement.

Tony Carroll seems to have nursed MADRINHO back into some form and I think he will take a bit of beating in the finale at Kempton this evening.

Poppy Bridgwater gets on well with him and her claim could come in handy. He likes the track, he likes the trip and he is back down to a winning mark so he should go well.
